

Objectif 2 : je respecte la hauteur des lettres.

26 La hauteur des lettres i, j, o, g

Compte les interlignes au-dessus ou au-dessous de la ligne.

★ Recopie les lettres à la bonne hauteur.

Handwriting practice grid for letters i, j, o, g. The grid is divided into four columns. The first column contains four lowercase 'i's on a four-line staff. The second column contains four lowercase 'j's on a four-line staff. The third column contains four lowercase 'o's on a four-line staff. The fourth column contains four lowercase 'g's on a four-line staff. Each letter is shown once as a solid example and once as a dashed line for tracing. Below each row of letters are empty lines for independent practice.

★★ Entoure les erreurs de Gribouillou puis continue.

Handwriting practice grid for error detection. The first row contains a sequence of letters: i, j, i, j, followed by a dotted line, and then i, j. The second row contains a sequence of letters: o, g, o, g, followed by a dotted line, and then o, g. The dotted lines indicate where the student should identify and circle errors.

★★★ Écris les groupes de lettres.

Handwriting practice grid for letter groups. The grid has two rows and several columns. The first row starts with 'ji' and the second row starts with 'go'. The rest of the grid is empty for independent practice.

Continue le tracé des formes. Ne dépasse pas.

Handwriting practice grid for tracing wavy lines. The first row shows a blue wavy line with the letters 'i', 'j', 'o', 'g' written along it. The second row shows a black wavy line for independent practice.
